### How It Works

The Connector's first-of-its-kind digital technology expedites the Workers' Compensation coverage process for Small Commercial E&S risks.

#### Step 1

Go to [rsgconnector.com/login](https://rsgconnector.com/login) and answer a few quick questions about the risk.

#### Step 2

The Connector immediately returns a pricing indication and automatically engages our underwriting team.

#### Step 3

Our underwriting team designs quotes, typically returning options to the agent within 24 hours\*

*\*In instances where the risk is highly complex the UW team may reach out for additional information*

#### Step 4

You work directly with our underwriting team to select a quote and bind.

### The Connector is RT Specialty's Digital Marketplace for Micro Commercial Business.

The coverage process is streamlined, top-rated market access is multiplied, and robust third party tools are harnessed – empowering RT Specialty contracted retail agents to do their best work without sacrificing due diligence, time or profitability.
