

Your Digital Marketplace for Commercial E&S Business

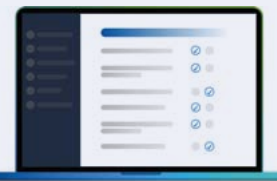

Why RT Connector?

RT Connector saves RT Specialty’s clients time and money by transforming the quote & bind process for commercial E&S risks. Coverage can be in effect within minutes making even the smallest accounts profitable.

If you like a comparative rater, RT Connector is so much more. Retail agents & brokers simply click to bind and issue coverages from select top-rated carriers across multiple lines. Digital signatures, payments and renewals are equally fast. And if the risk doesn’t fit, RT Connector will automatically generate ACORDS and forward the submission to RT Specialty.

Available Lines of Business
